Sripatum University Announcement

Preventive measures for the spread of Covid-19

The University was informed that one of our students is suspected of having Covid-19. The student had already been tested and now waiting for the result confirmation. The timeline of this student is shown in the attachment to the announcement.

To prevent the spread of the virus and reduce any risks that this may cause to our students and staff, Sripatum University, therefore, set the preventive measure as follows:

1. Close the University for 6 days between 15-20 March 2020 to do the big cleaning, sanitize all areas both inside and outside the buildings including all equipment used within the Bangkok campus. The cleaning follows the standard of Department of Disease Control, Ministry of Public Health as we put our students and staff safety as a priority.

During the closure period, all staff are to work from home.

2. Sripatum University, Bangkok campus, will contact those who are in close contact with the student to go through appropriate testing and follow the self-quarantine procedure for 14 days between 15 - 28 March 2020.

3. Classes at Bangkok campus will be taught online from 21 March 2020 onward. No more classroom activity. Students please keep updated with the situation through www.spu.ac.th.

4. The University would like to ask for everyone cooperation on keeping yourselves updated with the situation through the Ministry of Public Health website, [www.http://ddc.moph.go.th/](http://ddc.moph.go.th/) to reduce any risks that may arise.

Please be informed accordingly and Sripatum University will keep everyone updated on the situation.

Announced on 14 March 2020
